

# MOVING INTO Chapter Books

GOOD READS FOR NEWLY  
INDEPENDENT READERS

The First Chapter Book Collection helps budding readers make a successful transition to reading chapter books independently. Aimed at children from kindergarten through fifth grade, these books appeal to students at their correct reading level, build their reading stamina, and strengthen their confidence in book selection. A wide variety of genre and style allows young children to develop a sense of themselves as readers.

Independent readers can:

- Recognize numerous sight words
- Use different strategies, such as context clues, to determine unfamiliar words
- Integrate meaning, syntax, and phonics easily
- Read with fluency, expression, and proper phrasing
- Handle longer, more complex texts with short chapters and engaging characters

Materials that support these readers have:

- Easy-to-read text
- Simple plot lines
- Plenty of context clues
- Purposeful illustrations that aid reading comprehension.

Library staff can assist you in finding the perfect books to make life-long readers.
